Tim,

Thank you for providing your comments on the draft AOC, as well as the additional exhibits.

EPA is reviewing your client's response and will be contacting you to schedule a meeting in the upcoming weeks to discuss your comments and the site more generally. The Agency is hopeful that we can come to an agreement on this matter

I have copied Mr. Bryan Ashby from DNREC in order to keep the State apprised of our continued discussions regarding the Blessings Greenhouses and Compost Facility.

If you have any questions or concerns in the meantime, please do not hesitate to contact me.

Sincerely,

Hannah G. Leone
